

VENUE PERFORMANCE REQUIREMENTS

In order for our band to give their best performance we require the following:

REQUIREMENTS:

- Access to two outlets that are on separate electric breakers.
- A minimum space of 12' x 24' to perform, plus additional space for mixer board and volunteer staff to run the mixer board.
- One case of water (24 bottles).

FOUL WEATHER NOTICE:

- All of our equipment is electrical and cannot get wet. If conditions are wet due to rain or threat of rain we reserve the right to cancel or reschedule our performance.

SOUND:

- Please be aware that we are a rock and roll band and our performance will be LOUD.
- Please provide adequate space around and in front of our performance area for your attendees to enjoy the music.
